

## Online Hypnosis Directory Podcast (Stage “General Audience”)

**Podcast designed for a general audience, the interview format should be more accessible, focusing on entertainment value and the allure of stage hypnosis, while still maintaining educational undertones.**

---

### **1. Introduction & Origins:**

- How did you first discover the world of stage hypnosis?
- Can you remember the first time you successfully hypnotized someone on stage?

### **2. A Glimpse Behind the Curtain:**

- What's the most surprising thing about being an entertainment hypnotist that most people don't know?
- Are there any myths about stage hypnosis you'd like to debunk?

### **3. Unforgettable Stage Moments:**

- Share a story from one of your shows that left the audience in splits or in awe.
- Have there been any unexpected twists or surprises during a live performance?

### **4. Audience Participation:**

- What makes a good volunteer for your shows?
- Any funny or heartwarming stories about audience members who've participated?

### **5. Ethics & Safety:**

- Some people worry about the safety of stage hypnosis. How do you ensure that volunteers are safe and treated respectfully?
- How do you handle skeptics or those unsure about the legitimacy of stage hypnosis?

### **6. Crafting a Show:**

- How do you come up with the ideas and themes for your performances?
- Are there any cultural or regional adjustments you make while performing in different places?

### **7. Memorable Venues & Crowds:**

- From all the places you've performed, which audience or venue stands out the most and why?
- Are there any locations or events on your wish list to perform?

## **8. Hypnosis in Pop Culture:**

- How do you feel about the portrayal of hypnotists in movies and TV shows?
- Are there any films or shows that you think get it right?

## **9. Fun & Quirky Insights:**

- If you could hypnotize any famous person, who would it be and why?
- Have you ever been hypnotized yourself for entertainment?

## **10. Building the Hype:**

- How do you get an audience excited and engaged even before the show starts?
- Any backstage rituals or routines you follow to get into the zone?

## **11. Evolution of the Craft:**

- How has the world of entertainment hypnosis changed since you started?
- What do you think is the next big thing in entertainment hypnosis?

## **12. Recommendations & Closing:**

- For those curious about attending a hypnosis show, what should they look forward to?
- Any upcoming shows or projects you'd like our listeners to know about?

---

**For a general audience, it's vital to balance the magical allure of stage hypnosis with insights and stories that humanize the performer. This format aims to intrigue, educate, and entertain listeners, drawing them into the captivating world of stage hypnosis.**

**These are the main categories that we'll want to cover on the show. This is not intended to be an exhaustive list, but give an idea of what I would consider to be a mostly "complete" interview.**

**I welcome feedback or suggestions. Also, the questions are sample questions. If you have a particular passion or entertaining story that you would like to get to, help me work it into the format and questions.**
